

Band & Dance Team MEGA Car Wash!!

The goal is to raise as much money as possible to help pay for staff, equipment, music, entry fees, choreography, London, etc. that the district cannot afford to pay. Expenses have gone up, but the budget has gone down over the last 10 years. You may also pay your own band fee through this effort.

What to do:

GET SPONSORS

1. Start **NOW** getting sponsors. The success of this event depends on how much effort everyone puts into finding sponsors. The more sponsors you get, the more money you make!
2. Where to get sponsors: EVERYWHERE. Your friends, neighbors, parents, relatives, the mail carrier - anyone who wants their car washed as well as those who just want to help the band, color guard, dance team or YOU.
3. **Procedure** Tell people that you are raising money for our next BIG trip, to purchase field props, drill, and choreography for the marching band and dance team.
4. **Pledges:** Have your sponsor fill out the pledge sheet. Make sure they put their address and phone number so you can get back to them AFTER the car wash. Give them a **"Sponsor Special"** coupon to bring to the Car Wash showing that they have already pledged to our effort.

COME TO THE CAR WASH

5. Since we are combining forces with the band and color guard and dance team we will have two locations. Everyone will be divided into teams and will work at one of the locations. The locations are:
 - a. Store and address
 - b. Store and address
6. If you absolutely cannot work all day, then you may work either in the morning or afternoon from the following times (8:45-12:45 & 12:30-4:15). The date is Saturday, August 24, from 9 a.m. - 4 p.m.. The more cars we wash, the more money we/YOU make.

COLLECT YOUR MONEY

7. Get back to all of your sponsors the week after the Car Wash and collect your money. All money should be turned in by Friday, August 30. We will have collection envelopes for you.

Each person's individual goal should be **at least 20 pledges** (1 full sheet). Try to get people to pledge 3 or 5 cents per car. We'll wash between 300-400 cars - that's a \$9-\$15 donation AND a free carwash. The BIG money is made from the pledge PER CAR. If collectively, we raise over \$15,000 Dr. Thomas will get his hair dyed pink at a Tuesday night rehearsal! The last two years we made \$14,500 and 18,500! Can you do it again?

Good luck and let's have some fun!
